Rodholz 8, 74928 Hüffenhardt, DE

## PROFILE

Bilingual Frontend Developer based in Germany, tackling frontend projects and problems from CSS and HTML to React, NextJS and Typescript. My favorite tasks lie at the intersection of design and development, creating experiences that not only look great but are meticulously built for performance and usability.

After a sabbatical I am now ready to get back to pushing pixels and hunting bugs!

## TECH

- React
- NextJS
- Typescript
- HTML
- CSS
- JavaScript
- ChakraUI
- Vanilla Extract CSS
- Storybook
- Jest
- Launchdarkly

## OTHER

- A/B Testing
- Adobe Photoshop
- Adobe Illustrator
- Figma

## EXPERIENCE

*Since 10/2024*

### CAREER BREAK

- Due to restructuring in the engineering department at Beauty Pie, the Junior Developer position was eliminated
- "Sabbatical" to travel, work on personal projects and to move from the UK back to Germany
- Explore new technologies and expand knowledge of React

*09/2022 - 10/2024*

### BEAUTY PIE LTD.

#### JUNIOR SOFTWARE ENGINEER | LONDON/REMOTE

- Building new features and updating existing website using React, Typescript, NextJS, Chakra UI and Vanilla Extract CSS
- Ensuring code health by implementing tests using CodeceptJS and Jest
- Creating A/B tests and releasing features via feature flags using Launchdarkly
- Updating and maintaining content on legacy platform using HTML, CSS and Vanilla JavaScript

*11/2019 - 09/2022*

### BEAUTY PIE LTD.

#### FRONTEND DEVELOPER | LONDON/REMOTE

- Updating and maintaining current website using HTML, CSS and JS as well as various software (IBM WebSphere, Acuity, Contentsquare, Zendesk...)
- Conducting AB tests to identify areas of improvement (Google Optimize)
- Creating (responsive) HTML emails

*05/2019 - 11/2019*

### SELF EMPLOYED

#### WEB DESIGNER | LONDON

- Designing and coding websites using HTML, CSS and various graphic software
- Creating responsive designs

*07/2018 - 04/2019*

### CAREER BREAK

- Restructuring and elimination of UK branch of the design team
- Career break to revitalize creative energy
- Traveling, working on personal art projects and improving understanding of the latest UI and UX technologies.

*09/2012 - 07/2018*

### BAZAARVOICE LTD.

#### (SENIOR) USER INTERFACE DESIGNER | LONDON

- Designing and implementing Bazaarvoice templates for international clients like Puma, John Lewis and Bodyshop using CSS and XML/HTML
- Creating responsive designs for new and existing clients with CSS/media queries
